### *Chapter 3: Colonies Take Root – Guided Reading*

1. I am reading section \_\_\_\_ and it is about the \_\_\_\_\_ Colonies.
2. Please list the people important to the development of your region. Be sure to explain why they are important or what they did.
3. What states now exist where your colonies were located?
4. For what purpose were your colonies founded? What were people hoping to achieve there?
5. How did the colonists make money or provide for their families? How did geography play a role in this decision?
